Technology has never been more important for estate agencies

The future of real estate will be driven by technology

According to the PWC Real Estate 2023 findings, the future of the Real Estate Industry will be heavily changed by technology

- ✓ The winners of 2023 and beyond will have already started to shape their responses to the fast-evolving trends in real estate technology. Have you?

What does it mean to have a Technology Partner?

There's plenty of things in life you need a partner to do

Play Tennis

Go Dancing

Play Chess

To run a successful business, you need a technology partner! Especially as an estate agent!

By choosing a technology partner instead of a software provider you benefit in the same way you would by having an extra member of staff – someone that knows your business' way of working, your company culture, and ultimately what makes you, you.

Why GNB

All the tools you need to run your estate agency business in one place.

With GNB Property, you can bid farewell to the never-ending switching between various software programs and the hassle of maintaining multiple long-term contract subscriptions. This all-in-one platform offers you a comprehensive set of tools that covers everything you'll ever need.

Win more instructions

- New site every 3 years
- Marketing Suite (EMails, SMS, Automated Social Media)

Save time and money

Stay ahead of the curve:

Keep your estate agency at the forefront of the industry with regular updates and the latest tools.

What we offer

1-3 people per session

Unlimited, complimentary training

Full recordings available via the cloud

A training plan made to suit your needs

No extra charge for future employees

Don't just take our word for it

	<p>You've thought of all the bad points that every single agent has [to deal with] and you've put a solution in place for them all.</p> <p>Craig Phillips</p>		<p>I would thoroughly recommend GNB, the team are brilliant and Mario, our Account Manager, is always available to resolve any issues or update the website with new designs and features!</p> <p>Ryan</p>
	<p>We have bought into, not just a system, it is actually a family because you are bringing everybody on board to be part of the system but you're also listening at the same time</p> <p>Sujee Tharma</p>		<p>Don has been a truly excellent advisor, extremely helpful all times. Very prompt to come back to us and explains everything nicely.</p> <p>Loucas</p>
	<p>I'd say we put the onus on you guys when we say: "We want this, this and this.", but you've never said no we can't do it, which is brilliant!</p> <p>Bhavesh</p>		<p>GNB deliver a great service, always prompt with getting back to me regardless of the query!</p> <p>Gino</p>
	<p>I can't see anyone's presentation [in the market] that comes anywhere near ours and that's down to you guys and Jack and the technical team</p> <p>Benjamin Gale</p>		<p>Thank you for all your help Mario, greatly appreciated!</p> <p>Adam</p>
	<p>Your technical team always stick to their deadlines and they always do what they say they are going to do.</p> <p>Viktoriya Pyatibratova</p>		<p>George goes above and beyond what is needed, doesn't need to but he does!</p> <p>Mo</p>

Speak with us Today

We know there is never an ideal time to switch software providers but with our highly trained and dedicated team, we are here to make the transition as smooth as possible.

So why wait?

[Speak with us now!](#)

We are dedicated to providing all our partners with the very best technology available as well as the very best customer care. We go beyond simply being a software provider and strive to be our customers technology partner; that means we are part of your team, working alongside you to make your business become the best it can be.
